Fellow Umuahians,

Invitation to the Virtual Launch of the Endowment Fund

I hope this letter finds you in good health and high spirits. As an esteemed alumnus of Government College Umuahia, I am delighted to invite you to the virtual launch of our Endowment Fund.

Government College Umuahia has always been renowned for its commitment to providing quality education and nurturing future leaders. Over the years, we have produced outstanding individuals who have excelled in various fields and have made significant contributions to society. As proud Old Boys, we share a common bond and a sense of responsibility to support our beloved alma mater.

The launch of the Endowment Fund marks a significant milestone in our journey to ensure the sustained growth and development of our beloved Umuahia. The fund will provide vital financial resources to enhance infrastructure, academic programs, scholarships, and other initiatives that will benefit our current and future generations of Umuahians.

During the virtual launch, we will have the privilege of sharing the Endowment Fund Charter, the standard operating procedures (SOP) of the Endowment Fund as well as hearing from Old Boys, who will share their experiences and insights on the importance of giving back. The event will also provide an opportunity to connect with fellow Old Boys, reminisce about our time at Government College Umuahia, and strengthen our network of support.

The details of the event are as follows:

Date: Saturday, 15th July 2023

Time: 8 pm WAT.

Venue: Zoom (Meeting link will be shared separately)

Additionally, we encourage you to contribute to the Endowment Fund as a testament to your commitment and gratitude for the invaluable education and experiences you received at Government College Umuahia. Your generous contribution, regardless of the amount, will make a substantial difference in the lives of current and future students.
