- A message from the Chairman
- Spotlight on our Donors

Dear Umuahians,

Welcome to the second edition in 2021 of the GCU Restoration Special Edition Newsletter highlighting our all time and most recent donors!

The Government College Umuahia restoration project is 3 months away from reopening in September 2021 and time is moving by very fast.

We are happy to announce that the first round of examinations was held on June 7th and two more rounds of examinations will hold on Wednesday, July 7th and Saturday, August 7th (**please visit the school website www.gcu.sch.ng for more information**).

While four projects are now complete and are undergoing inspection to be handed over to the project team, there is much more fundraising work to be done and the urgency is now crucial and pressing as the school cannot reopen in September if we do not receive the pledged amount of money especially for the following

Campaigns:

1. Principal's House - Classes of 1961, 1962, 1963, 1964 & 1965
2. Blue Building – Classes of 1966, 1967 & 1979
3. The N25 Million Class Challenge for the 1973 -1981 Classes

In this special edition of the Newsletter, you will find the latest developments on all the projects adopted and a robust financial update of all the progress made.

I conclude with thanking all Old Boys who have impacted this noble cause of rebuilding our alma matter and hope that this newsletter will motivate us all to finish well.

May we continue to shine as one!

HE Dr. Okwesilieze Nwodo
Chairman, Board of Trustee

Message from the Chairman

As we acknowledge all those who have contributed towards the restoration project, please note the following:

- All donations received from the various Old Boys platforms were last updated on May 31st, 2021.
- This newsletter excludes the ongoing N100,000 Levy payment towards the GCU restoration project that all Old Boys have been implored to make.

10 PROJECT ADOPTIONS

1. 4 Completed Projects

It is with great delight that we announce the completion of four building projects: The Dining hall, Classroom Block C, Gatehouse, and the library. These were the first projects that we used to kick-start the restoration of Umuahia and reflect the spirit of excellence, grit, and perseverance for which Umuahians are known.

1.1 The Dining Hall adopted by GCUOBA US/UK

Adopted by GCUOBA US and UK, as you may recall, this was the first project to break ground in the second half of 2020 for a total sum of N205.3M and is now complete. The US has shown great initiative by utilising various campaigns to raise money for the dining hall.

Please find the list of donors by campaign and progress pictures below:

2. Ongoing Projects

2.1 Classroom Block B

With only one donor, Classroom Block B was adopted and 100% funded at the cost of N59M by an anonymous Old Boy, the project has been awarded to Silhouette Ab+ Turnkey and is due for completion at the end of June 2021.

Please see photos below:

2.2 New House

This project also has just one donor and was adopted by the same anonymous Old Boy who adopted Classroom Block B. This would be the first hostel to be restored, please see progress pictures below:

This Old Boy also committed to provide a new borehole to provide water to New House and the New Dining Hall, he further committed to provide a brand new 22-33 KVA generator, which cost N5M to service New House (please photos of the Generators below):

3. GCUOBA

3.1 GCUOBA Global

This campaign calls for each Ancient & Medieval Old Boy or their estate to give at least N1 million towards the N400M campaign to build the essential sites for the reopening of the school.

So far N49.6M has been raised and we want to urge each Old Boy to kindly make their donations towards this noble cause through the Zenith bank account listed below:
